

# 2022 ANNUAL REPORT

# Letter from the Director

---

As my first full year as the Executive Director of BDAR comes to a close, I can't help but feel anything but an immense sense of gratitude and pride. Gratitude for all our generous donors who show up day after day, fundraiser after fundraiser to help sustain our current programs and grow new ones. And, pride for our staff, foster homes, volunteers, and the impact we have within our incredible community.

Since everything was mostly "back to normal" this year, 2022 was a busy one! We hosted adoption events and vaccine clinics and in between all of those things, we had a great time at our annual Cornhole Tournament in the summer, and Bark and Wine in the fall. It was great to be back interacting with our people and their pets!

As 2023 begins, there are new things on the horizon! For the first time ever, we are pleased to be offering puppy and adult dog training classes taught by our very own certified trainer! And, our dream of opening a low-cost spay and neuter clinic is finally starting to take shape. This will not be a small undertaking. We are nervous, excited, but most importantly, determined!

We love this work, these animals, and all the people we serve. Some days are harder than others. But, every day is worth it!

*Emilee Intlekofer*

## 2022 Staff & Board

### BOARD OF DIRECTORS

Erin Benskin, Chair  
Lee Dickinson, Vice-Chair  
Serenity Moffett  
Layna Officer  
Pat Rudd
